

Working with BoBud was an excellent experience, and we feel very lucky to have found Jeff and his team. Every member of the BoBud team was kind, conscientious and extremely good at their jobs. Questions were answered promptly, we were in our house when promised, and the team provided great guidance in making our final decisions on finishings. Josh, in particular, was a great resource for us. After we moved in, any issues were fixed promptly and our first year punch list was addressed in a very timely manner. We are very thankful to have made this house our home with the help of the BoBud family.

Best,
Katie and Maxwell Ginsburg
